In Memory of Honorable Will C. Hogg

SIMPLE RESOLUTION NO. 31.

Senator Woodul sent up the following resolution:

WHEREAS, Will C. Hogg was born in Quitman, Wood County, Texas, January 31, 1875, and died in Baden Baden, Germany, on September 12, 1930, and was buried in Austin beside the graves of his parents, the late illustrious Governor James Stephen Hogg and Sallie Stinson Hogg; and

WHEREAS, Will C. Hogg during his lifetime was a great friend of education and good government and was interested in all public matters that affected the welfare of the people of the State of Texas, having attended the University of Texas and graduating with an L.L.B. degree in 1897 and from that time on he was keenly interested in the affairs of his alma mater and was a member of the Board of Regents of the University from 1913 to 1917, and was also elected President of the Executive Council of the Ex-students' Association of the University and was an exofficio member of that association at the time of his death.

In 1911, Mr. Hogg undertook to start something which would result in a creditable and adequate physical establishment for the University. He served on a committee composed of Mr. Dave Harrell, Major Littlefield and himself. This committee was known as the Buildings and Grounds Committee and they recommended the purchase of additional acreage and the erection of modern, fireproof buildings.

In February, 1915, Mr. Hogg addressed a joint meeting of the Senate and House Committees on Education and Committees on Constitutional Amendments, and submitted a program looking to the advancement of higher education.

In 1921, Mr. Hogg assisted in the establishment and the incorporating of a student loan fund in thirteen State institutions of higher education in Texas. He made the initial donation. By his will, these loan funds have been considerably increased and additional State institutions were left bequests for loan funds.

Mr. Hogg was active in civic affairs in his home city of Houston and was instrumental in raising funds for the Young Women's Christian Association Building and the Houston Art Museum. He also purchased and optioned 1504 acres of land which he conveyed to the City of Houston for a park, at actual cost; and as a further inducement to get the City of Houston to take this beautiful tract of land, he donated \$50,000 to the city so it could make the primary payment on same. This park is now known as Memorial Park.

The Southern Pacific Depot, Civic Center, and Farmers' Market are some of the major projects in Houston which were initiated by him. The Farmers' Market has been completed; while the Southern Pacific Depot is under way; and most of the land needed for the Civic Center has been purchased. A comprehensive City Plan Report for the City of Houston was finished about a year ago, while Mr. Hogg was Chairman of the City Planning Commission.

His contributions to schools, eleemosynary institutions, etc., are too numerous to mention.

Mr. Hogg's will is unique and had he left nothing else for future posterity to remember him by, his will would distinguish him as a great man. Would that all men of large means would read his last will and be guided by the spirit that last will exhibits.

THEREFORE, BE IT RESOLVED That the Senate of Texas deeply regrets the untimely death of Will C. Hogg and extends its unbounded sympathy to his family in their bereavement; and

BE IT FURTHER RESOLVED, That a copy of this resolution be forwarded to members of his family by the Secretary of the Senate and that a page of the Senate Journal be set aside in honor of his memory.
